PART B - PROPOSED RENEWAL OF EXISTING SHAREHOLDERS' MANDATE AND PROPOSED NEW SHAREHOLDERS' MANDATE FOR RECURRENT RELATED PARTY TRANSACTIONS OF A REVENUE OR TRADING NATURE

INTRODUCTION

On 30 May 2017, the shareholders of the Company had approved, inter alia, the renewal of authority for the Company to purchase up to ten percent (10%) of the total number of issued shares of the Company.

The shareholders of the Company had also on 30 May 2017 approved the shareholders' mandate for Grand-Flo Group to enter into the RRPT.

The above approvals shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM unless authority for the renewals are obtained.

On 10 April 2018, the Board had announced to Bursa Securities that the Company intends to seek its shareholders' approval for the Proposed Renewal of Share Buy-Back Authority and Proposed Shareholders' Mandate at the forthcoming 15th AGM of the Company.

The purpose of this Statement/Circular is to provide you with relevant details and information pertaining to the Proposals together with the Board's recommendation, and to seek your approval for the ordinary resolutions to be tabled at the forthcoming 15th AGM of the Company. The notice convening the 15th AGM is set out in the 2017 Annual Report, the extract of which is despatched with this Statement/Circular.

SHAREHOLDERS OF GRAND-FLO ARE ADVISED TO READ AND CAREFULLY CONSIDER THE CONTENTS OF THIS STATEMENT/CIRCULAR BEFORE VOTING ON THE ORDINARY RESOLUTIONS PERTAINING TO THE PROPOSALS AT THE FORTHCOMING 15TH AGM.

PART A

**SHARE BUY-BACK STATEMENT IN RELATION TO PROPOSED RENEWAL OF
SHARE BUY-BACK AUTHORITY**

PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1 PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Board proposes to seek its shareholders' approval for the renewal of the authority for the Company to purchase of up to ten percent (10%) of its total number of issued shares at any point in time, subject to compliance with the Act, rules, regulations and orders made pursuant to the Act, the provisions of the Company's Constitution and the Listing Requirements of Bursa Securities and any other relevant authority ("Prevailing Laws") at the time of purchase.

The approval from the shareholders for the Proposed Renewal of Share Buy-Back Authority would be effective immediately upon the passing of the Ordinary Resolution for the Proposed Renewal of Share Buy-Back Authority at the forthcoming 15th AGM and shall be valid until:

- i. the conclusion of the next AGM of the Company following the general meeting at which this resolution was passed, unless by an ordinary resolution passed at the meeting, the authority is renewed, either unconditionally or subject to conditions; or
- ii. the expiration of the period within the next AGM of the Company after the date it is required by law to be held; or
- iii. revoked or varied by ordinary resolution passed by the shareholders at a general meeting of the Company

whichever occurs first.

2 RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-Back Authority, if implemented, will enable Grand-Flo to utilise any of its financial resources, which is not immediately required for other uses, to purchase its own Shares from the open market. The Proposed Renewal of Share Buy-Back Authority is expected to stabilise the supply and demand, as well as the price of Grand-Flo Shares.

If the Grand-Flo Shares purchased are subsequently cancelled, the Proposed Renewal of Share Buy-Back Authority may strengthen the EPS of Grand-Flo. Consequently, long-term and genuine investors are expected to enjoy a corresponding increase in the value of their investments in the Company.

The Purchased Shares can also be held as treasury shares and resold on Bursa Securities at a higher price therefore realising a potential gain without affecting the total number of issued shares of the Company. Should any treasury shares be distributed as share dividends, this would serve to reward the shareholders of the Company.

The Proposed Renewal of Share Buy-Back Authority is not expected to have any potential material disadvantage to the Company and its shareholders, and it will be implemented only after due consideration of the financial resources of Grand-Flo Group, and of the resultant impact on the shareholders of the Company. The Board will be mindful of the interests of Grand-Flo and its shareholders in undertaking the Proposed Renewal of Share Buy-Back Authority.

3 FUNDING FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-Back Authority will be funded by internal funds of the Company and/or borrowings, the breakdown of which has not been determined at this juncture. In the event that the Proposed Renewal of Share Buy-Back Authority is to be financed by borrowings, the Company will ensure its capability of repaying such borrowings and that such repayment will not have a material effect on its cashflow. The actual number of Grand-Flo Shares to be purchased and the timing of any purchase, together with the treatment of Grand-Flo Shares purchased would depend on, inter alia, the prevailing market conditions, the availability of the Company's retained profits as well as its cash and funding position.

The maximum amount of funds to be allocated for the Proposed Renewal of Share Buy-Back Authority shall not exceed the aggregate of the retained profits of the Company. The audited retained profits of the Company as at 31 December 2017 (being the latest available audited financial statements of the Company) was RM40.7 million.

4 POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The potential advantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:

- i. allows the Company to take preventive measures against speculation particularly when its shares are undervalued, which would in turn, stabilise the market price of Grand-Flo Shares and hence, enhance investors' confidence;
- ii. allows the Company the flexibility in achieving the desired capital structure, in terms of debt and equity composition and size of equity;
- iii. the Company may distribute any shares held as treasury shares as share dividends to reward the shareholders of the Company; and
- iv. the Company may realise potential gains from the resale of the treasury shares, if the Purchased Shares which are retained as treasury shares are resold at a higher price.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:

- i. The Proposed Renewal of Share Buy-Back Authority will reduce the financial resources of Grand-Flo and may result in the Group foregoing other investment opportunities that may emerge in the future; and
- ii. as the Proposed Renewal of Share Buy-Back Authority can only be made out of retained earnings of the Company, it may result in the reduction of financial resources available for distribution to shareholders in the immediate future.

The Board, in exercising any decision on the purchase of Grand-Flo Shares pursuant to the Proposed Renewal of Share Buy-Back Authority and any subsequent resale of treasury shares on the Bursa Securities, will be mindful of the interest of the Company and its shareholders.

5 EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

5.1 Issued Share Capital

The effect of the Proposed Renewal of Share Buy-Back Authority on the issued share capital of the Company will depend on whether the Purchased Shares are cancelled or retained as treasury shares.

The Proposed Renewal of Share Buy-Back Authority will however, result in the reduction of the issued share capital of the Company if the Purchased Shares are cancelled. Based on the issued share capital of the Company as at LPD, and assuming that the maximum number of Grand-Flo Shares (of up to ten percent (10%) of the total number of issued shares) authorised under the Proposed Renewal of Share Buy-Back Authority are purchased and cancelled, the effect of the Proposed Renewal of Share Buy-Back Authority is set out as follows:

	No. of Shares	RM
<i>Issued share capital as at LPD</i>	483,115,711	48,311,571.10
<i>Maximum number of purchased shares cancelled</i>	48,311,571	4,831,157.10
Resultant issued share capital	434,804,140	43,480,414.00

On the other hand, if Grand-Flo Shares purchased are retained as treasury shares, resold or distributed to its shareholders, the Proposed Renewal of Share Buy-Back Authority will have no effect on the issued share capital of Grand-Flo.

5.2 Earnings and EPS

The effects of the share buy-back on the earnings and EPS of Grand-Flo Group is dependent on the purchase price(s) of the Grand-Flo Shares, the number of Purchased Shares and the effective funding cost to Grand-Flo to finance the purchase of such Grand-Flo Shares or any loss in interest income to Grand-Flo or opportunity cost in relation to other investment opportunities. The effective reduction in the issued share capital of the Company pursuant to the Proposed Renewal of Share Buy-Back Authority will, generally, all else being equal, have a positive impact on the consolidated EPS of the Company.

5.3 NA and Working Capital

The effects of the Proposed Renewal of Share Buy-Back Authority on the NA of the Group will depend on the purchase price for such Grand-Flo Shares and whether the Purchased Shares are cancelled or retained as treasury shares.

The effects of the Proposed Renewal of Share Buy-Back Authority on the NA of the Group, whether the Purchased Shares are cancelled or retained as treasury shares are as follows:

a. Purchased Shares are subsequently retained as treasury shares

The NA of the Group would decrease if the Purchased Shares are retained as treasury shares due to the requirement for treasury shares to be carried at cost and be offset against equity, resulting in a decrease in the NA of our Group by the cost of the treasury shares.

If the Purchased Shares are resold on Bursa Securities, the NA of the Group would increase if Grand-Flo realises a gain from the resale, and vice-versa.

If the Purchased Shares were distributed as share dividends, the NA of the Group will decrease by the cost of the treasury shares.

b. Purchased Shares are subsequently cancelled

If the Purchased Shares are cancelled, the Proposed Renewal of Share Buy-Back Authority will reduce the NA per Grand-Flo Share if the purchase price per Grand-Flo Share exceeds the NA per Grand-Flo Share at the relevant point in time, and vice-versa.

The Proposed Renewal of Share Buy-Back Authority, as and when implemented, will reduce the working capital and cash flow of Grand-Flo Group, the quantum of which will depend on, amongst others, the purchase price(s) of Grand-Flo Shares and the number of Purchased Shares. The Proposed Renewal of Share Buy-Back Authority will affect the cash flow of the Group if it is wholly and/or partly financed by internally generated funds and result in a lower amount of cash reserves available for dividends to be declared to shareholders as funds are utilised to purchase shares.

5.4 Dividends

The Proposed Renewal of Share Buy-Back Authority is not expected to have any impact on the dividend policy of the Board in recommending dividends, if any, to shareholders of Grand-Flo. However, as stated herein above, the Board may distribute future dividends in the form of the treasury shares purchased pursuant to the Proposed Renewal of Share Buy-Back Authority.

1.6 Review procedures for the RRPT

Grand-Flo has internal control systems to ensure that the RRPT are undertaken on an arm's length basis and on normal commercial terms consistent with Grand-Flo's usual business practices and policies, which are no more favourable to the interested parties than those extended to third parties/public and are not detrimental to the interest of the minority shareholders. The management of Grand-Flo will ensure that the RRPT with interested parties will only be transacted at the prevailing market rates/prices for the services or products on the usual commercial terms, or otherwise in accordance with applicable industry norms, after taking into account the pricing, the level of services, quality of products and other related factors.

The following methods and procedures have been implemented by Grand-Flo Group to ensure proper identification and reporting of RRPT as follows and to ensure that RRPT contemplated under the Proposed Shareholders' Mandate are undertaken on transaction prices and terms not more favourable to the related party than those generally available to the public and are not to the detriment of the minority shareholders:

Such tender, quotation or contract will not be approved unless the terms offered to the Group are comparable with those offered by other unrelated parties for the same or substantially similar type of transactions. The transactions with a Related Party will only be entered into after taking into account the pricing, quality, deliverables, level of service and other related facts including competitors prices of similar products and services in the open market;
- (ii) All transactions entered into pursuant to the Proposed Shareholders' Mandate will be tabled to the Audit Committee for review on a quarterly basis. In its review of such transactions, the Audit Committee may, as it deems fit, request for additional information pertaining to the transactions from independent sources;

- (v) The pricing for services and products to be provided/supplied and/or received is determined based on the Group's business practices and policies to ensure that prices and terms and conditions are based on competitive prices of similar products and services in the open market; and
- (vi) Where practicable and/or feasible, at least two (2) other contemporaneous transactions with unrelated third parties for substantially similar products or services and/or quantities will be used as comparison to determine whether the price and terms offered to/by the Related Party are fair and reasonable and comparable to those offered to/by other unrelated third parties, for the same or substantially similar type of products/services and/or quantities.

- (vii) In the event that quotations or comparative pricing from unrelated third parties cannot be obtained for the proposed transactions, the Audit Committee shall review the transaction price based on the usual business practices of the Group to ensure that the RRPT are not detrimental to the Company and the Group.
